under DD/S Administrative Instruction No. 64-2,  
dated 17 February 1964

REFERENCE : Memo to Deputy Directors fm DDCI dtd 23 Dec 1963,  
subject: Approval of Research and Development  
Activities

1. This memorandum contains a recommendation for Deputy Director for Support approval. Such recommendation is contained in paragraph 3.

2. Reference is made to our recent discussion concerning the impossibility of carrying out the monitoring responsibility placed upon us under paragraph 7 of the Administrative Instruction referred to in subject above. The specific reasons for the foregoing stem from the fact that there is no provision for providing the Office of Logistics with:

- a. Evidence that a project has been approved and by whom,
- b. A statement that the dollar limitations applicable have not been exceeded, and
- c. The name of each officer to whom approving authority has been delegated or authorized in paragraph 5 of reference.

3. In order to place definite responsibility for approval of these activities, I recommend that you forward the attached memorandum to the Deputy Director of Central Intelligence.
